Gospel of Luke

Pastor Rolan DeLoach will help us look at Luke's Gospel. Multiple expositors and Bible versions spark lively discussion and new applications.

Discipleship

Tom and Donna Petter are both professors of Old Testament at Gordon-Conwell. They have a passion for discipleship through the Word and remain active in Youth With A Mission's School of Biblical Studies, where they served on the mission field in the 80's and 90's. We'll focus on discipleship... with discussion including

- the foundational importance of the Word of God in discipleship;
- How God's mercy is revealed to us through Jesus and His sacrifice on the cross;
- what it means to follow in His footsteps and to reach out in His love to a hostile and lost world.

It Is Written - Men's Study

A great time for prayer, praise and thanksgiving of particular interest to men. "It is Written" will include discussion of the upcoming message, a great preparation for Sunday's sermon.

Divorce Care

A time for those suffering the effects of a recent separation to learn, grow and encourage one another via video teaching and discussion lead by Scott Winslow. It's on Monday evenings. Call the church for more details.

Teens - 7th grade through high school

Join us in the Youth Room as we look at how to be disciples of Jesus with the book *4 Chair Discipling* by Dann Spader guiding us.
